

Welcome to 2023!
The Year of Ascents!

The Lord has declared 2023 as the Year of ascending heights for me on every front! And in this Year, God has made my feet as hinds' feet and has caused me to walk upon my high places! (Hab 3:19) God himself has favoured me and has caused my mountain to stand strong. (Psalm 30:7)

This supernatural favour of God causes me to see the desires of my heart and I am taking strong hold of the reins of the sectors and industries. The Lord has helped me to take control of the hill city. God has given me mighty influence and power in those spheres. I am taking the harvest of the field and sucking honey from the rock. (Deut 32:13)

Oh see! My smell is as the smell of the field that the Lord has blessed! God has given to me the dew of heaven, and the fatness of the earth, and plenty of corn and wine: (Gen 27:27)

I am ascending heights! I am unstoppable and there are no limitations. For by my God, I have run through the troop and by God I have leaped over every wall of limitation. (Psalm 18:29). God has lifted me into those exclusive circles and has set me among the princes. (I Sam 2:8)

The Almighty has become to me that mighty fortress and my high tower. I am hidden from the scourge of the tongue, and He is a covering for me and my household! (Psalm 18:2)

Yes, the secret of God is upon my tabernacle. The voice of God has become clearer to me, and I have greater clarity and sensitivity to the nudging of the Spirit. By his light I have walked through the darkness and my steps are washed with butter and the rock pours out rivers of oil for me! (Job 29:3)

And this is the word of the Lord for the church worldwide.

In 2023, the body of Christ shall break into new plateau.

It's a year of ascending height for the body of Christ.

It is the Year where Christian shall have increased dominance in the financial sector, education, and entertainment industry. The year of ascent for the body of Christ.

Creative ideas will be unleashed for as many as will take the time in prayer to make downloads of witty invention.

There will be a mainstreaming of more non-denominational and non-conventional ministry gifts.

It is the Year for sons and daughters who have stayed patiently waiting for fulfilment of prophecy, long standing desires, prayers of years will be answered suddenly and desires that have been latent for years will be birthed at once.

For as soon as Zion travailed, she gave birth.

God's people will ascend into new heights in financial dominance, marriages, careers, and ministry!

It is the year of visibility for the body of Christ!

The church will be found in the horizon of the mainstream mountains of influence!

It will be the beginning of the ushering in of the last wave. And surely it is that time of the establishment of the church in the top of the mountains and the body shall be exalted above the hills. (Micah 4:1) And yes, the key to the takeover will be prayer, much prayer in other tongues! For with men of other tongues are the sign of the execution of God's timing in purpose. (1 Corinth 14 :21)
